Flavor Profile

Why we switched: Guests preference for a more traditional juniper flavor profile.

ABV – 47%

Base Ingredient – Grain

Region – United States, California

Tasting Notes – Heavy on the citrus, particularly bitter orange and grapefruit with juniper and cassia bark appearing mid-palate. Finishes with sweet citrus notes.

# New Amsterdam Stratusphere, Original

Why We Switched: Mexico's top-selling tequila produced by one of its oldest tequila distillers. Award-winning for its affordability and mixability.

ABV – 40%

Base Ingredient – 100% hand-harvested Blue Weber agave

Region – Mexico

Tasting Notes – Balanced fruit and peppery heat. Light-bodied with lingering herbaceous notes.

# el Jimador Silver Tequila

ABV – 32%

Base Ingredient – Marasca Cherries infused in alcohol

Region – Italy

Tasting Notes – Marasca cherries, roasted nuts, hints of dark chocolate, vanilla and orange marmalade.

Modifier in many classic cocktails.

Luxardo Maraschino  
Originale, Liqueur

ABV – 43%

Base Ingredient – Pacific Northwest White Winter Wheat

Region – Eugene, Oregon

Tasting Notes – Juicy citrus, sweet, bright herbal notes, woodland pine, black pepper and fresh juniper.

# Mr. Pickles Gin

ABV – 50%

Base Ingredient – Corn, Rye, Barley

Region – Kentucky, USA

Tasting Notes – Delicate fruit and spice:  
Ripe plum and cherries, vanilla and maple;  
smooth and long finish.

Recipe #1 OBSV 60% Corn, 35% Rye, 5% Barley

Four Roses Single Barrel  
Bourbon

ABV – 43%

Base Ingredient – Malted Barley

Region – Speyside, Highlands;  
Scotland

Tasting Notes – Caramel, Spice and Oak. First ever Double cask 15-year-old is the perfect marriage of classic Macallan style: sweet, fruity and elegant. Sherry seasoned American oak adds delicate vanilla to the subtle spice of European oak. Single Malt

## The Macallan 15 Double Cask

ABV – 40%

Base Ingredient – 100% Blue  
Weber Agave, Champagne yeast

Region – Jalisco Highlands, Mexico

Tasting Notes - Tasting Notes – Sweet cooked  
agave, cinnamon, sweet potato, dulce de leche  
with a tropical fruit and citrus finish.

Goes in the Blood Orange Margarita.

LALO Blanco  
Tequila

ABV – 40%

Base Ingredient – 100% Blue Weber Agave, Aged 8 months & 8 days

Region – Jalisco Highlands, Mexico

Tasting Notes – Sweet cooked agave, cinnamon, delicate vanilla

Tequila Ocho  
Reposado

ABV – 40%

Base Ingredient – Red Winter Wheat

Region – Idaho

Tasting Notes – Clean and crisp.  
A touch of organic agave is also added to give it a subtle sweet finish.

Organic, Gluten Free and Non-GMO

American Harvest  
Organic Vodka

# NEW COCKTAILS

YUZU GIMLET

SMOKED CHERRY  
OLD FASHIONED

KIWI SPRITZ

TATTOOED PINEAPPLE

WHISKEY PEACH  
SMASH

BLOOD ORANGE MARGARITA

- Varietal – Pinot Grigio
- Region – California
- Tasting Notes – Light and crisp with notes of citrus fruits, melon and honeysuckle.

## Silver Gate Pinot Grigio

- Varietal – Chardonnay
- Region – Burgundy, France
- Tasting Notes – Aged in Stainless Steel Tanks, Not Oak. Bright lemon, grapefruit and white flowers.

Steel Chardonnay  
by Louis Jadot  
(Lou-ee Jhuh dough)

- Varietal – Cabernet Sauvignon
- Region – Paso Robles, California
- Tasting Notes – Med to full-bodied, Juicy blackberry, spicy nutmeg, toasted coffee and vanilla bean.

## Austin Cabernet

- Varietal – NV Champagne Blanc de Blanc, Brut
- Region – Champagne, France
- Tasting Notes – This 100% Chardonnay cuvee is aged for 6 years on the lees and has a nice brioche like character. Bright and fresh with smooth creamy mousse, ripe tree fruits and an almond character coming through at the end. Excellent richness with a long mineral laced finish.

Jeeper #XXI Silver Brut  
375 mL

ABV – Ranges from zero to 45%

Base Ingredient – Water or alcohol based with 100s of single flavor ingredient and flavor combinations available.

Tasting Notes –

Fee Brothers Cardamom – Intensely aromatic spice, lemon, flowers and cola notes

Bitters are the “Spice Rack” of cocktail ingredients.

They can be used to add another layer of flavor, enhance existing flavors or to bring flavors together.

1-3 dashes is all you need.

## Cocktail Bitters

ABV – < 0.5%

Base Ingredient – Water, sugar, natural flavorings, citric acid Potassium Sorbate.

The full-strength spirits undergo a process called “Supercritical Co2 Extraction”, a technology in which carbon dioxide, extracts the alcohol but keeps the flavors.

Cn be drunk from the can or in a glass over ice with the appropriate garnish.

## ISH Ready to Drink Cocktails (250mL)

ABV – 0.0%    Alcohol free

Base Ingredient – Malted Barley

Region – Holland

Tasting Notes – Refreshingly fruity with a soft malty mouthfeel.

Uses vacuum distillation to remove the alcohol.

Heineken 0.0

N/A Beer

ABV – 0.0%

Base Ingredient – Natural mineral water with Co<sub>2</sub> added.

Region – Italian Alps

Tasting Notes – Naturally enriched with minerals on its journey from the mountains to the foothills. The addition of carbon dioxide provides acidity and prolongs the now sparkling water's taste, finishing with a slightly bitter note.

## S. Pellegrino Sparkling Mineral Water

ABV – 6.2% IBU 51

Base Ingredient: Malted Barley

Region – California

Tasting Notes – Balanced and drinkable bitter style beer. Caramel Malt brings depth of flavor, while the pine and citrus aromas and flavors come from the use of “C” hops: Cascade, Centennial and Chinook.

Lagunitas IPA,  
2<sup>nd</sup> Comp Tap
